SAVE OUR STATE: Take a stand for Texas!

Building on the spirit and energy of rallies around the country calling on state governments to prioritize education, health care, public safety, the environment, and jobs - we are taking the stand to save our state!

Everything is at stake. Clinics, schools, hospitals, nursing homes, community colleges, and parks will close if the proposed budget in the legislature passes. Thousands of people will lose jobs and communities will be devastated by the cuts.

Texas – we deserve better!

We can make a change and we can save our state. If you agree come out to support Texas on April 6th. Bring your family and friends and wear your rain gear. There's a torrential storm in Texas and together we have the power to turn the tides.

The April 6th march and rally will be the culmination of a menu of Save Our State activities, listed below. If you're planning activities that you'd like to be part of Save Our State please contact Kymberlie Quong Charles at quongcharles@cphp.org.
